Information Parents Need to Know

All tuition must be paid in full, and all required documents submitted before student will receive referral card to obtain learner's permit.

Student must take learner's permit test at MVD (fee \$10) and must present referral card, birth certificate, and social security card, and two other proofs of residence to MVD.

Once learner's permit has been obtained, it is the student's responsibility to contact the school (505-859-1506) to schedule behind the wheel instruction.

(Continue on reverse side)

After completing classroom requirements, the student must drive seven hours with an instructor. The student must also log 50 practice hours with a licensed driver over the age of 21. The instructor drives and practice drives should be in conjunction with each other.

The student is required to present this log to MVD, as well as the certificate of completion from the school.

No behind the wheel driving will be scheduled before learner's permit has been obtained.

No behind the wheel driving will be scheduled before 9am or after 6pm

Student must be on time for appointments. If the student is more than ten (10) minutes late, student will forfeit driving appointment. If you must cancel your appointment, please do so at least 24 hours in advance to avoid a \$30 no-show fee.

Refund Policy

If a student must leave the class within the first 6 hours of instruction, they may receive a full refund. If it is after the 6 hours of classroom, fees will be prorated. If a student completes classroom portion but not behind the wheel there will be no refund.

Students must attend all classroom hours and 7 hours of behind the wheel training before a certificate of completion will be issued.

I understand the Driver's Ed class I am enrolling in consists of 30 hours classroom study and 7 hours fieldwork/behind-the-wheel study.
